WE CARE TUCSON
refurbished electronics & durable medical equipment

About Us

We Care Tucson removes barriers to education, information, and wellness by restoring donated technology and medical equipment to support a sustainable and equitable community.

We Care Tucson is 100% focused on the Tucson community. WCT bridges the digital divide. To accomplish this, we collect used technology, i.e., computers, monitors, cell phones, and more. We sort the donations, restore what we can, and recycle what we can't use – helping keep all these devices out of our local landfills.

The restored computers and other usable electronics go into our store and are available for sale to the general public. We accept applications from economically challenged people for our low-cost computer program to help bridge the digital divide.

WCT offers an additional program enabling individuals to borrow durable medical equipment, such as wheelchairs and walkers, as well as complimentary health supplies.

Vision

Imagine a thriving, sustaining, and interconnected community.

Mission

We provide individuals access to information technology, medical equipment, and supplies. Through the restoration of donated computers and reusable medical devices, including the responsible recycling of non-functional components, we strive to cultivate an equitable and sustainable community in Southern Arizona.

A Message from the Board Chair

Get ready for an unforgettable event that combines the love for Pickleball with the spirit of giving back to the community.

The Pickle-icious Jingle Jam is not just another tournament—it's an opportunity to make a tangible impact on the lives of individuals facing financial difficulties in the Tucson area. We Care Tucson is dedicated to providing computer technology and medical equipment to those in need. By participating in this event, you directly contribute to this noble mission and help transform lives. We Care Tucson goes beyond ordinary charitable efforts. Through our team of skilled computer technicians and passionate volunteers, we give a new lease on life to donated technology and medical durable equipment. By doing so, we not only empower individuals with essential resources but also reduce the strain on our environment by preventing non-biodegradable materials from clogging our landfills.

We would like to invite you to consider a corporate sponsorship of We Care Tucson's inaugural Pickleball Fundraiser, the Pickle-icious Jingle Jam. We are delighted to present this fun-filled 3-day event dedicated to raising awareness of the invaluable services provided by WCT to the Tucson community. Moreover, the event aims to generate funds to support our programs, empowering us to extend our reach and aid a greater number of individuals in need.

Warmest Regards,

Pam

About The Event

We are thrilled to introduce you to the inaugural Pickle-icious Jingle Jam, a three-day holiday Pickleball Fundraiser on December 1-3, 2023, at the esteemed Gallery Sports Club. This promises to be a unique event combining the love of Pickleball with the spirit of giving back to the community.

There will be brackets for Women's Doubles, Men's Doubles, and Mixed Doubles in various age and skill categories. The tournament will feature a Round Robin format, ensuring each team participates in at least five matches. This event promises much more than Pickleball.

In addition to the exhilarating matches, we have lined up delicious food and beverages to satisfy your cravings, engaging raffle items that will keep you on the edge of your seat, and a variety of vendors offering intriguing items just in time for your holiday shopping, and a Jingle Mingle happy hour with live music!

Event Highlight

3 Days of exciting Pickleball play.

A variety of vendors for guests and players to shop at.

Raffle drawing for a wide variety of gift items just in time for the holidays.

The Mingle Jingle Happy Hour Jam on Saturday at dusk featuring live music food and more.
